Memorandum of Responsibility for Board Member

From: Warren D. Ponder, Executive Director
To: Candidate for Board of Trustees
Date: May 11, 2018

Thank you for your offer to participate in the governance of your retirement system. The Municipal Retirement System of Louisiana was established in 1955 by the legislature and the governing authority was placed in the Board of Trustees.

- As a member of the Board, you will be responsible for setting the policies of the system for all members, and be responsible for the proper investment of the system's $ 800 million portfolio.

- Each member of the Board is a fiduciary (R.S. 11:261) and as such you are bound by the "Prudent Man Rule", which means you, as a Board Member, are required "… to act with the care, skill, prudence, and diligence under the circumstances prevailing that a prudent institutional investor acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims." "A fiduciary must discharge his duties within the law solely in the interest of system members and beneficiaries for the exclusive purpose of providing benefits to participants and beneficiaries and paying the expenses of administering the plan." (R.S. 11:264.4) In order for a Board Member to act with care, skill, prudence and diligence the legislature has determined that each member should undergo educational training in four areas which are deemed critical to the operations of the system: "Each year, any member to whom this Section applies shall attend at least eight hours of investment training, four hours of actuarial science information education, two hours of education regarding the laws, rules, and regulations applicable to his system, and two hours of instruction on fiduciary duty and ethics." (R.S. 11:185)

- The Board of Trustees for Municipal Retirement System of Louisiana meets once a month usually the last Thursday (schedule attached). The meetings start at 9:00 a.m. and continue until all of the business is completed. In addition, each Board member attends the LA Public Employees Retirement Systems (LAPERS) conference held in New Orleans during the month of September from Sunday to Tuesday annually.

- According to R.S. 11:185, each member of the Board of Trustees shall attend at least eight (8) hours of investment training, four (4) hours of actuarial science information education, two (2) hours of education regarding the laws, rules, and regulations applicable to his/her system, and two (2) hours of instruction on fiduciary duty and ethics.

- Board members have an awesome responsibility, which at times can become time consuming, and for their time and trouble, the legislature authorizes the system to pay them $75 per day, plus expenses.

I have read and understand the responsibilities of a Trustee for the Municipal Employees' Retirement System of Louisiana.
