7937 Office Park Boulevard
Baton Rouge, LA 70809

Dear Maris – We are planning to respectfully request an addition to LA R.S. 11:1732(14) to include LAMP, Inc. in the definition of employer in the 2026 Legislative session.

LAMP, Inc. has 3 employees and has been committed to serving municipalities for the past 30 years with their short-term cash investments.

We are requesting the Municipal Employee's Retirement System board of directors for its approval regarding this addition to the legislation.

Sincerely,

Theodore C. Sanders, III
