

Summary of Proposed Rule Changes

Elections

Page 3

- Makes changes to reflect new legislation that elected official candidates must have four years of service credit instead of six.
- Clarifies that only active members vote for active member candidates

Page 4

- Clarifies that only retired members vote for retiree member candidates
- Changes the deadlines for the nominating period and voting periods to address the requirements of the election vendor:
 - 4 week set up period
 - 4 week voting periods
 - 10 business days to prepare runoff ballot

Employer Agreements

Page 7

- Codifies the practice of not approving an Employer Agreement in the six months preceding an election which could result in a leadership change for the Employer

Community Property

Page 7

- Requires approval of the Executive Director to implement a split of benefits due to a court order other than a Domestic Relations Order

Required Documents

Pages 11 and 12

- Eliminates the requirement of documents that are no longer necessary
